

## Fine Art Matt Canvas 360gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

### Description of Product:

A high quality natural white canvas with a pronounced textured surface that has an excellent colour intensity and colour gamut volume, making it a suitable canvas for non framed or framed art and portraiture work.

A traditional look and feel of an old masters painting. The specially formulated coating has been designed for a range of inkjet printers and is compatible with both dye and pigment inks for high quality fine art reproductions.
