

The Fine Art Portfolio

Permajet introduces the new Fine Art Portfolio. Ideal for your photos, memories, and presentation work.

The Fine Art Portfolio is made to the highest standard and makes a perfect wedding album or gift.

The Fine Art Portfolio preserves your digital memories and photo collection in a stylish and professional format.

Features:

- 20 sheets of double sided Permajet archival paper
- Allows you to print 40 images or more
- The Fine Art Portfolio is pre-hinged and pre-holed ready for printing
- Brass protected corners and protective hard sleeve for extra durability.
- Refill papers available in smooth and textured finish
- Capture your prints and assemble into an elegant book
- Ideal for portfolio work, a gift, holiday memories or storing your family pictures

Layout templates and generic ICC Profiles are available from our website.
