

Parchment 285gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

Description of Product:

A Highly calendared white base with an undulating surface, creates a ridged high quality feel and structure similar to a true parchment. This unique surface prints beautifully and will give images depth, shadow and movement, creating life in still format. A high D-MAX makes this acid free surface suitable for a wide range of subject matters. Suitable for images with cloud, smoke, sand or landscapes.
