

Double Sided Lustre 295gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

Description of Product:

This heavyweight instant dry microporous paper has a bright white base with a true photographic Lustre finish. Ideal for album applications, portfolios, point of sale, calendars and project-based applications where there is a need for a unique double-sided inkjet paper to be used.

The heavyweight base means there is no 'show through' when printed, the subtle texture and advanced coating that has been incorporated in the production process allows you to create stunning vivid images or graphics.
